Founded in 1963, Exhibit Surveys, Inc. is a full service research firm dedicated to providing market intelligence and measurement for the exhibition and events marketing industry. Having researched over 10,000 exhibits and over 4,000 events, Exhibit Surveys, Inc. has led the industry in developing the most comprehensive database of normative data for events and the most sophisticated diagnostic and measurement tools available.

STATEMENT OF CERTIFICATION – AUDIT CONDUCTED BY BPA WORLDWIDE

We have examined the attendee records of subject show/event for the date and location of the show/event as reported in this BPA Events Audit Report. Our examination was made in accordance with generally accepted event auditing standards. This audit complies with standards set forth by the Exhibition and Event Industry Audit Commission (EEIAC), a not for profit corporation organized for the purpose of managing and overseeing the exhibition industry's independent audit process. The audit process includes pre-event review of systems, on-site inspection, post event confirmations of attendance, examination of accounting records, and any other auditing procedures considered necessary.

Based on such examinations, the statements set forth in this report present fairly and accurately the total attendance of this event in conformance with generally accepted event measurement principles.
